Sub: - Conduct of Worksheet schedule-1 for Classes Nursery, Jr. KG and Sr. KG for the Academic Session, 2021-22 in the perspective of COVID-19-reg.

Madam/Sir,

The COVID- 19 pandemic necessitated a paradigm shift in the way our school functioned. The entire current academic session happened online and our school and teachers have done a remarkable work in ensuring the continuity of learning of the students.

Accordingly, a comprehensive framework is worked out. The details of the framework are as follows:-

Worksheet Schedule -1 Pre-primary

Particulars	Date	Day	Jr.KG.	Sr.KG
Periodic Worksheet 1	20.07.2021	Tuesday	Hindi	Hindi
	22.07.2021	Thursday	Math	Math
	24.07.2021	Saturday	EVS	EVS
	26.07.2021	Monday	English	English

Method : Play Way

Which is the foundation of all early education pedagogies; it started the concept of learning through play and is also where the word 'Kindergarten' comes from.

Procedure : Worksheet will be conducted during Zoom lectures as per the above schedule. Students have to submit pictures of completed worksheet with in 2 days of assessment date.

Also The children will be assessed through verbal and action-based activities. Since the teaching is also through play, the recall (assessment) of learning will be through activities itself.

Concept : There will be no comparative assessment in Preprimary. Through this system we promote the concept of 'No child left behind' .

Report :Parents will be provided with a report on a yearly basis which highlights the child's learning development.

Note: Parents are requested to encourage their child to participate in online offline activities regularly.

Yours faithfully,

Principal
Pinnacle Public School.
