**Date: - 2<sup>nd</sup> April, 2020**

Dear Parents,  
Greetings!!!!

As we all know during this unprecedented moment due to Covid 19, students are not able to attend the school, but that doesn't mean education is on hold. We have the power to learn everywhere, to support one another, and help every child receive a wonderful learning experience.

A balance of play and work is what our child need. We should take this opportunity to develop the habit of self study in our children. Having fixed time and place to study on daily basis will ensure child do not lose touch with their academic skills. Together we can make difference.(Parent- Teacher partnership)

Considering the current lockdown, we will begin with our classes through virtual platform of Pinnaclepublicschool mobile app and Whatsapp from 06<sup>th</sup> April, 2020. We expect every student to be part of the virtual study.

We wish, all parents will cooperate, and make children comfortable. School will certainly reinforce learning once it reopens.

You will get entire week virtual class timetable on weekend and teachers will be sharing study material according to timetable daily.

▶ Books:

In absence of textbook, Teachers will be sharing photos/ebook of textbook according to the topic which is to be studied. For NCERT textbooks students can download e-books from NCERT website.

▶ Resource material:-

Teachers have developed, selected and planned the resources which include videos, ppts, worksheets, photos and links. These resources provides list of exercises and activities according to subject and grade. Through this resources student will reinforce their learning and also get to reflect on how well they have comprehended the content.

▶ Written work:-

Students are expected to pay attention and study well in presence of parents. After virtual study the students are supposed to complete the home work in Fair note book if available or can use last year's half used note books or any fair Papers/files.

Students must keep weekly record for the work done by them

The worksheets or HW completed by students will be checked and assessed for internal marks after the school opens.

▶ Query:

Teachers and school leaders will be continue to be accessible via the Pinnaclepublicschool application to help parents. For any query related to study you can write question in the name of subject teacher in query tab of app.

On behalf of Pinnacle Public School, I thank you for your trust in our School and look forward to seeing our kids back in the campus at the earliest. Till then, I hope you and your loved ones stay at home, safe and healthy

Thanks and Regards.
